## Admission and Enrollment Information

Sekolah Lentera Indonesia is committed to the highest standards of academic excellence as well as building character in our students, where children are educated for lives of purpose, service and leadership. All lessons are taught in English, except Bahasa Indonesia and Mandarin Chinese.

### Regular Admissions Process at SLI

- Step 1 - See Admissions for required documents
- Step 2 - Prepare documents and set date for entrance tests
- Step 3 - Bring your documents and take the entrance tests
- Step 4 - Release of result
- Step 5 - Interview
- Step 6 - Confirmation of status

### For Grades 1 – 9

Students are required to take entrance tests in English and Mathematics to determine a student's progress in English and Mathematics. It will also enable the school to give recommendations on how a child can prepare for enrollment. An interview is also required.

### For Grade 10

Students are required to take tests in English, Mathematics and other subjects as recommended by the Principal. Students should have taken IGCSE subjects or equivalent courses in their previous school. An interview is also required.

### For Grades 11 – 12

Students must meet all the requirements set by the Principal. The Principal's recommendation is required before admission.

Please remember that taking the entrance tests does not guarantee admission to the school.

## **A Cambridge International Centre**

*The Cambridge Primary, Cambridge Checkpoint, and Cambridge IGCSE*

### **Cambridge Primary**

The programme provides a framework to develop English, Mathematics, and Science skills and knowledge in young children. The programme helps identify strengths and weaknesses of a student's learning in concerned subject areas.

At the end of Grade 6, students take the Cambridge Primary Checkpoint Tests. The tests are marked by Cambridge and this provides an indication of progress and achievement that can be compared to an international benchmark. It also shows student preparedness for entering Grade 7.

Students receive a Statement of Achievement after the tests.

### **Cambridge Checkpoint**

At the end of Grade 8, students take the Cambridge Checkpoint Tests. The tests are marked by Cambridge and show student progress and achievement that can be compared to an international benchmark. They also show student preparedness for the Cambridge IGCSE programme.

Students receive a Statement of Achievement after the tests.

### **Cambridge IGCSE**

The International General Certificate of Secondary Education (IGCSE) is the world's most popular international curriculum for 14-16 year olds.

The Cambridge IGCSE encourages learner-centred and enquiry based approaches to learning. It develops learner knowledge, understanding and skills in subject content, applying knowledge and understanding to familiar and new situations, intellectual enquiry, flexibility and responsiveness to change, working and communicating in English, and cultural awareness.

Student may qualify for the **International Certificate of Education**, or **Cambridge ICE**. It is a group award of the International General Certificate of Secondary Education (IGCSE) and requires the study of subjects drawn from the five different IGCSE subject groups.

## A Cambridge International Centre

*The Cambridge AS & A Levels and NCC Education*

### Cambridge AS and A Levels

The Cambridge AS and A Levels provide excellent preparation for university education. They are internationally benchmarked qualifications that are widely recognized and valued worldwide.

The Cambridge AS and A Levels are accepted entry qualifications in many universities. They may also provide course credits and advanced standing in some universities.

Students may qualify for the **Advanced International Certificate of Education**, or **Cambridge AICE**. It is a group certificate which requires the study of subjects drawn from three curriculum areas.

### NCC Programme

A two year business-focused programme that is designed to facilitate and provide career pathways for students seeking University Bachelor's Programme in Business major.

The SLI pre-university programme integrates 3 of the best internationally recognized programmes; **NCC Education International Foundation Year**, **NCC Education diploma in Business and the prestigious Cambridge A Level programme** in Business Studies, Accounting and AICT (Advance Information and Communication Technology). Students are exposed to both the NCC's intensive and hands-on application of business concepts in the real world and the in-depth theoretical knowledge and analytical skills of the A Level Business programme.

The NCC programme is recognized and transferable to more than 50 universities in the UK and other parts of the world, which will facilitate the students in their university admissions.
